

Standards Manager Web Standards List
EI-Energy Institute

Id	Number	Title	Year	Organization	Page
1	1581	Specifications and laboratory qualification procedures for aviation fuel filter water separators	2025	EI	
2	1587	NULL	2025	EI	
3	1590	Specifications and qualification procedures for aviation fuel microfilters(1)	2025	EI	
4	1597	Procedures for overwing fuelling to ensure delivery of the correct fuel grade to an aircraft	2025	EI	
5	1533	Quality assurance requirements for semi-synthetic jet fuel and synthetic blending components (SBC)	2025	EI	
6	3199	Guidelines for the management of flexible hose assemblies	2025	EI	
7	3299	NULL	2025	EI	
8	3312	NULL	2025	EI	
9	3326	NULL	2025	EI	
10	3399	Guidelines for caisson life cycle integrity management	2025	EI	
11	3462	NULL	2025	EI	
12	3570	NULL	2025	EI	
13	3579	NULL	2025	EI	
14	3580	Guidelines on integrity management for LNG operations	2025	EI	
15	3581	NULL	2025	EI	
16	3582	NULL	2025	EI	
17	3583	NULL	2025	EI	
18	3584	NULL	2025	EI	
19	3585	NULL	2025	EI	
20	3586	NULL	2025	EI	
21	3587	NULL	2025	EI	
22	3588	NULL	2025	EI	
23	3589	Good plant design for CO2 stream impurity measurement	2025	EI	
24	3590	NULL	2025	EI	
25	3591	NULL	2025	EI	
26	3592	NULL	2025	EI	
27	3594	NULL	2025	EI	
28	3595	NULL	2025	EI	
29	3599	NULL	2025	EI	
30	3601	Guidelines on corrosion management and asset integrity for offshore wind turbine infrastructure	2025	EI	
31	3602	NULL	2025	EI	
32	3603	NULL	2025	EI	
33	HM 6	General guidance on the test methods for sulfur determination	2025	EI	
34	HM 51	API Manual of Petroleum Measurement Standards Chapter 17.12 Procedures for bulk liquid chemical cargo inspections	2025	EI	
35	HM 55	API MPMS Chapter 17.10.2 Measurement of cargoes on board marine gas carriers liquefied petroleum and chemical gases	2025	EI	
36	HM 56	API MPMS Ch 10.10 On-line measurement of water content in petroleum and petroleum products	2025	EI	

37	HM 60	Guidelines for the auditing of hydrocarbon measurement systems	2025	EI	
38	HM 64	API MPMS Chapter 17.5 Guidelines for voyage analysis and reconciliation of cargo quantities	2025	EI	
39	HM 96	Guidelines for the allocation of fluid streams in oil and gas production	2025	EI	
40	HM 100	Procedures for the inspection and quantification of LNG cargoes	2025	EI	
41	HM 52	API MPMS Chapter 17.11 Measurement and sampling of cargoes on board tank vessels using closed and restricted equipment	2024	EI	
42	HM 50	Guidelines for the preparation of tanks and lines for marine tank vessels carrying petroleum and refined products	2024	EI	
43	3548	Human factors standards for facility design Early design quick reference guide	2024	EI	
44	3549	G Plus White paper Steel fabrication for the offshore wind industry safety practices and opportunities	2024	EI	
45	3550	Guidance on adapting combined cycle gas turbine CCGT power stations for hydrogen combustion	2024	EI	
46	3551	Guidance on ALE for offshore structures supporting wind turbines	2024	EI	
47	3552+	Guidelines for integrity management of the splash zone in offshore environments	2024	EI	
48	HM 26	A guide to liquid metering systems	2024	EI	
49	HM 27	A guide to gas metering systems	2024	EI	
50	HM 29	Procedures for petroleum product cargo inspections	2024	EI	
51	3571	Recommended practices for CH4 emissions detection and quantification - Combustion efficiency and flaring destruction technologies	2024	EI	
52	3572	NULL	2024	EI	
53	3573	Lifesaving rules for the offshore wind industry Implementation guide	2024	EI	
54	3574	SafetyOn Safe by Design workshop report Ice fall and ice throw	2024	EI	
55	3575	Research report Gas compressors for 100 hydrogen duty	2024	EI	
56	3576	G Plus Good practice guidelines for unmanned aircraft systems in the offshore wind industry	2024	EI	
57	3577	The Mental Health Framework	2024	EI	
58	3578	Steel fabrication in the offshore wind industry - A good practice guidance for developers	2024	EI	
59	3464	Wind Turbine Safety Rules Procedure 7 Control and management of cross boundary safety precautions between the wind turbine safety rules and other safety rules	2024	EI	
60	3553	Hazard analysis for onshore and offshore carbon capture installations and pipelines	2024	EI	
61	3554	Good plant design and operation for onshore and offshore carbon capture installations and pipelines	2024	EI	
62	3555	SafetyOn Good practice guidelines Mobile crane lifting for onshore wind farms	2024	EI	
63	3556	SafetyOn Electrical safety good practice guidelines Wind turbine generator high voltage access awareness	2024	EI	
64	3557	G Plus Examining the impact of floating wind turbines on the human operator A scoping review	2024	EI	
65	3558	Integration of human and organisational factors into the safety management system	2024	EI	
66	3559	Safe systems of work principles for the power generation sector	2024	EI	
67	3560	Research report Global activities in hydrogen development	2024	EI	
68	3561	Research report Understanding stakeholder needs and integration challenges across the hydrogen value-chain	2024	EI	
69	3563	Safe by design - Good practice guidance for the offshore wind industry	2024	EI	
70	3564	Guidance on green and low carbon hydrogen production plant design construction operation and maintenance co-location and other considerations	2024	EI	
71	3565	Review of available tools and methodologies to calculate CO2 emissions of soil and groundwater management activities	2024	EI	
72	3566	SafetyOn 2023 Incident data report	2024	EI	
73	3567	SafetyOn Safe by Design workshop report To examine design of chain hoists and ancillary equipment lift plans permits and controls and training and competency across industry	2024	EI	
74	3568	G Plus Safe by Design workshop report Material handling equipment	2024	EI	

75	3569	Good practice guidelines arc flash and shock labeling and associated signage in the offshore wind industry	2024	EI	
76	3429	Good practice guideline - Offshore wind farm transfer	2024	EI	
77	3268	Pipeline and riser loss of containment 2001 - 2020 PARLOC 2020	2024	EI	
78	1535	Minimum criteria to determine acceptability of additives for use in multi-product pipelines co-transporting jet fuel	2024	EI	
79	1542	Identification markings for dedicated aviation fuel manufacturing and distribution facilities airport storage and mobile fuelling equipment	2024	EI	
80	3015	EI Model code of safe practice Part 15 Area classification for installations handling flammable fluids	2024	EI	
81	3021	Model Code of Safe Practice Part 21 Guidelines for the control of hazards arising from static electricity	2024	EI	
82	3076	Design construction modification maintenance and decommissioning of filling stations known as the Blue Book	2024	EI	
83	3080	Guidelines for the design installation and management of small bore tubing assemblies	2024	EI	
84	3019	Model Code of Safe Practice Part 19 Fire precautions at petroleum refineries and bulk storage installations	2023	EI	
85	3011	Model Code of Safe Practice Part 11 Bitumen safety code	2023	EI	
86	1540	Design construction commissioning maintenance and testing of aviation fuelling facilities	2023	EI	
87	1535	Minimum criteria to determine acceptability of additives for use in multi-product pipelines co-transporting jet fuel	2023	EI	0
88	1540	Design, construction, commissioning, maintenance and testing of aviation fuelling facilities	2023	EI	0
89	3260	Guidelines for an emergency action plan for fire and explosion risks at filling stations	2023	EI	
90	3261	Good practice guideline the safe management of small service vessels used in the offshore wind industry	2023	EI	
91	3182	Guidelines for the medical and physical fitness requirements of emergency response team members	2023	EI	
92	3147	A model syllabus for the training of technicians involved in the examination testing maintenance and repair of petroleum fuel and liquefied petroleum gas road tankers	2023	EI	
93	3395	G Plus Integrated Offshore Emergency Response G Plus IOER Good practice guidelines for offshore renewable energy developments	2023	EI	
94	3519	The quality of aviation fuel available in the United Kingdom annual survey 2016-17	2023	EI	
95	3520	SafetyOn and G Plus Good practice guidelines Contractor engagement and behavioural safety in onshore civils	2023	EI	
96	3521	Tripod lite A lite tool for investigating simple incidents events and near misses	2023	EI	
97	3522	G Plus Safe by Design workshop Floating Offshore Wind - Transfers access and egress and materials handling	2023	EI	
98	3523	Research report Question-set to understand and evaluate socio-technical resilience QUESTOR	2023	EI	
99	3524	SafetyOn Good practice guidelines Guidance for management of work in confined spaces for onshore wind	2023	EI	
100	3525	Guidance on safe plant reinstatement	2023	EI	
101	3526	Guidance on the application of performance - based design and assessment for ageing and life extension	2023	EI	
102	3527	Medical standards for fitness to wear respiratory protective equipment	2023	EI	
103	3528	A New UK Approach Development of vertical screening distances to support more sustainable assessment of the petroleum vapour intrusion pathway	2023	EI	
104	3529	Guidance for UK hydrogen safety case development onshore and offshore	2023	EI	
105	3530	Investigation into the risk and impact associated with non-diesel fuel engine vehicles by type whilst entering or working within hazardous storage locations Phase 3	2023	EI	
106	3531	Research report Landscape review of skills needed for an emerging hydrogen based economy	2023	EI	
107	3532	The risk of structural failure of decommissioned offshore oil and gas installations worldwide	2023	EI	
108	3533	Vulnerability review and assessment for safety and environmental critical equipment to control escalation risks on atmospheric storage tank sites	2023	EI	
109	3534	G Plus 2022 incident data report	2023	EI	
110	3535	Research report Using causal loop diagrams to explore behavioural and socio-technical safety challenges	2023	EI	
111	3536	SafetyOn 2022 Incident data report	2023	EI	

112	3537	Research report Hydrogen value-chain infrastructure integration Interface analysis landscape review	2023	EI	
113	3538	Energy retail station sites green guide opportunities to contribute to the United Nations Sustainable Development Goals	2023	EI	
114	3539	Guidance on large-scale solar photovoltaic PV system design development and operation	2023	EI	
115	3540	Research report Environmental impacts of the large-scale deployment of hydrogen	2023	EI	
116	3541	EI Research Report Measurement of water at the crude oil water interface using portable electronic gauging devices	2023	EI	
117	3542	Research report Literature review of asset integrity in repurposing natural gas infrastructure for hydrogen Phase 1A	2023	EI	
118	3543	Research report Assessing environmental impacts of energy storage technologies for grid scale applications	2023	EI	
119	3544	Health Technical note The difference between medical standards and physical capacity assessments	2023	EI	
120	3545	Repurposing and design guidelines for carbon dioxide pipelines	2023	EI	
121	3546	Research Report Embedding circularity into the construction and decommissioning of assets Phase 1	2023	EI	
122	3547	Selection applicability and use of molecular microbiological methods MMM in the oil and gas industry	2023	EI	
123	HM 40	Guidelines for the crude oil washing of ships tanks and the heating of crude oil being transported by sea	2023	EI	
124	HM 20	Proving of aviation fuelling positive displacement meters	2023	EI	
125	HM 65	API MPMS Ch 19.5 Atmospheric Hydrocarbon Emissions from Marine Vessel and Land-based Transfer Operations	2023	EI	
126	HM 62	Guidelines for cargo inspection order management	2023	EI	
127	HM 77	API MPMS Chapter 22.7 Testing Protocol for Multiphase Meter	2023	EI	
128	HM 70	API Manual of Petroleum Measurement Standards Chapter 17.6 Guidelines for Determining the Fullness of Pipelines Between Marine Vessels and Shore Facilities	2022	EI	
129	HM 76	Guidelines for the remote monitoring of measurement equipment	2022	EI	
130	HM 7	General guidance on test methods for density water and sediment determination in crude oil and residual fuel oils	2022	EI	
131	HM 4	Manual level measurement for hydrocarbon liquids	2022	EI	
132	3505	Waste to products Technology and economic assessment phase 1	2022	EI	
133	3506	A site operators guide to electric vehicle charging equipment at filling stations	2022	EI	
134	3507	Handbook for valve integrity management	2022	EI	
135	3508	Back into service checklist	2022	EI	
136	3509+	Guidelines for the assessment of ageing and life extension of non-metallic components in the offshore oil and gas industry	2022	EI	
137	3509	Best available techniques BAT Good practice for the oil and gas industry	2022	EI	
138	3510	EI Research Report Reducing GHG emissions from aircraft refuelling	2022	EI	
139	3511	EI Research report Review of directives regulations relevant to the safe and environmentally compliant production transportation and storage of hydrogen	2022	EI	
140	3512	G Plus Improving compliance workshop basic lifting operations	2022	EI	
141	3513	Guidance for subsea including pipelines corrosion management	2022	EI	
142	3514	Investigation into the risk and impact associated with non-diesel fuel engine vehicles by type whilst entering or working within hazardous storage locations Phase 2	2022	EI	
143	3515	G Plus Floating offshore wind hazard identification HAZID	2022	EI	
144	3516	Research report Modelling toxic hazards of sour water releases _ consolidated knowledge of sour water releases physics and chemistry	2022	EI	
145	3517	The quality of aviation fuel available in the United Kingdom Annual survey 2015	2022	EI	
146	3518	Review of equations of state and available experimental data for carbon capture and storage fluids	2022	EI	
147	3616	EI Research Report Volume correction by velocity of sound	2022	EI	
148	3477	Investigation into the risk and impact associated with non-diesel fuel engine vehicles by type whilst entering or working within hazardous storage locations Phase 1	2022	EI	

149	3483	Guidelines for the assessment of ageing and life extension of non-metallic components in the offshore oil and gas industry volume 1 subsea flexible pipes and offshore marine hoses	2022	EI	
150	3484	Guidance on the management of the hazard of vessel impact with offshore structures	2022	EI	
151	3485	Literature review Investigation into the degradation of Ex e enclosures manufactured from glass reinforced polyester polymer GRP	2022	EI	
152	3486	Minimal staffing and lone working ensuring employee safety and wellbeing in the power sector	2022	EI	
153	3487	G Plus Safe by Design Workshop Report Blades access repair and maintenance	2022	EI	
154	3488	Guidance on the use of biocides in the oil industry	2022	EI	
155	3489	Guidelines for managing ignition risk by inspection of Ex electrical equipment in hazardous areas including support of IEC 60079-17	2022	EI	
156	3490	Guidelines on managing microbiologically influenced corrosion MIC in water injection systems	2022	EI	
157	3491	EI Research report Electrostatic charging tests for aviation fuel filter water separators FWS	2022	EI	
158	3492	Research report The assurance of liner integrity during tank floor works on above-ground storage tanks holding petroleum petroleum product or other fuels	2022	EI	
159	3493	Battery storage research report Using second-life electric vehicle batteries for stationary storage	2022	EI	
160	3494	Investigation insights A toolkit for leaders and investigators	2022	EI	
161	3495	Research report Literature review of asset integrity in repurposing existing natural gas infrastructure for hydrogen	2022	EI	
162	3496	Guidance for the structural integrity management of decommissioned offshore structures in lighthouse mode	2022	EI	
163	3497	Guidelines for a training syllabus Flow measurement engineer s course	2022	EI	
164	3498	Performance standards for structural safety critical elements	2022	EI	
165	3499	Research report Application of life cycle assessment methodology to the understanding of the energy balance and efficiency of hydrogen value chain building blocks	2022	EI	
166	3500	Research report Human factors guidance and checklists to improve procurement of goods and equipment	2022	EI	
167	3501	G Plus 2021 incident data report	2022	EI	
168	3502	Guidance on cost-benefit analysis for asset integrity Cost-benefit analysis for repair and rectification of identified inspection anomalies	2022	EI	
169	3266	Guidance on ensuring control room operator CRO competence	2022	EI	
170	3197	High level framework for process safety management	2022	EI	
171	3251	Engaging contractors Partnership approaches to improving safety in the power industry	2022	EI	
172	3212	Guidelines for the management of coatings for external corrosion protection	2022	EI	
173	3217	Guidance on quantified human reliability analysis QHRA	2022	EI	
174	3222	SafetyOn 2021 Incident data report	2022	EI	
175	1588	Laboratory tests and minimum performance levels for aviation fuel water barrier filters	2022	EI	0
176	1533	Quality assurance requirements for semi-synthetic jet fuel and synthetic blending components (SBC)	2022	EI	0
177	3017	Model Code of Safe Practice Part 17 High pressure and high temperature HPHT well planning control completions and interventions	2022	EI	
178	3036	Design and operational guidance on cathodic protection of offshore structures	2022	EI	
179	3069	Guidance on the declassification of tanks previously in leaded gasoline service	2021	EI	
180	3104	Guidelines for management of integrity of bolted joints in pressurised systems	2021	EI	
181	3009	Model Code of Safe Practice Part 9 Liquefied petroleum gas - large bulk storage	2021	EI	
182	1545	Recommended practice for the defuelling of aircraft	2021	EI	0
183	1566	Injection of biocide into jet fuel during underwing pressure refuelling for aircraft maintenance	2021	EI	0
184	3194	External corrosion awareness handbook A guide for visual recognition of external integrity threats to upstream oil and gas production plant	2021	EI	

185	3164	Corrosion threats handbook - Upstream oil and gas production	2021	EI	
186	3220	Guidelines for the life extension for safe operation of ageing rotating equipment on offshore petroleum installations centrifugal compressors	2021	EI	
187	3440	EI Research Report Determination of recalibration intervals for fiscal metering measurements	2021	EI	
188	3441	Good practice guidelines for safe helicopter operations in support of the global offshore wind industry Section A	2021	EI	
189	3442	Good practice guidelines for safe helicopter operations in support of the global offshore wind industry Section B	2021	EI	
190	3443	Guidance on managing obsolescence and upgrading industrial automation and control systems IACS	2021	EI	
191	3444	Guidelines for in-service management of passive fire protection coating systems	2021	EI	
192	3445	Guidance for integrity root-cause analysis	2021	EI	
193	3447	Failure mode and effects analysis tool for above-ground storage tanks storing petroleum petroleum products or other fuels - Part 1 Failure mode analysis for primary containment	2021	EI	
194	3448	Guidance on the management achievement operation and maintenance of functional safety employing safety instrumented systems in support of IEC 61511	2021	EI	
195	3449	Proceedings of an EI aviation fuel filtration seminar held 24 March 2021	2021	EI	
196	3450	Research report Achieving greater resilience to major events _ Organisational learning for safety risk management in complex environments	2021	EI	
197	3451	G Plus 2020 incident data report	2021	EI	
198	3452	Guidance on petroleum hydrocarbon forensic chemistry for site investigation and remediation Volume 1	2021	EI	
199	3453	Guidance on petroleum hydrocarbon forensic chemistry for site investigation and remediation Volume 2	2021	EI	
200	3454	Guidance on the identification and assessment of contaminants of emerging concern in soil and groundwater at industrial sites	2021	EI	
201	3455	Managing the replant of a combined cycle gas turbine CCGT power plant	2021	EI	
202	3456	SafetyOn 2020 Incident data report	2021	EI	
203	3457	Wind Turbine Safety Rules	2021	EI	
204	3458	Wind Turbine Safety Rules Procedure 1 Approval of general provisions special instructions GP3 and other procedures	2021	EI	
205	3459	Wind Turbine Safety Rules Procedure 2 Approval of tools equipment and processes	2021	EI	
206	3460	Wind Turbine Safety Rules Procedure 3 Objections on safety reasons	2021	EI	
207	3461	Wind Turbine Safety Rules Procedure 4 Addition and removal of safety rules to plant and LV apparatus	2021	EI	
208	3504	EI Research Report Water in crude oil interface study	2021	EI	
209	3478	Management of engineered composite repairs end user good practice guidance	2021	EI	
210	3479	SafetyOn Good practice guidelines Planned decommissioning framework for onshore wind turbines	2021	EI	
211	3480	SafetyOn Good practice guidelines Traffic management for onshore wind farms	2021	EI	
212	3481	Technical workshop proceedings Hydrogen safety cases _ Challenges in hydrogen safety case development in UK European industrial clusters	2021	EI	
213	3463	Wind Turbine Safety Rules Procedure 6 Appointment of persons	2021	EI	
214	3465	Wind Turbine Safety Rules Procedure 8 Approval of electronic safety document systems	2021	EI	
215	3466	EI Research report Aviation fuel hydrant pit box loading	2021	EI	
216	3467	Failure mode and effects analysis tool for above-ground storage tanks storing petroleum petroleum products or other fuels _ Part 2 Effects analysis for secondary containment	2021	EI	
217	3468	Checklist prior to the introduction of E10 Fuels into service station storage tanks	2021	EI	
218	3469	Guidance on the human aspects of cyber security	2021	EI	
219	3471	EI Research report Evolution of condition monitoring requirements for combined cycle gas turbine CCGT power plants	2021	EI	
220	3472	SafetyOn Good practice guidelines Post-incident decommissioning of onshore wind turbines	2021	EI	

221	3473	EI Research Report Determination of shrinkage when blending petroleum product mixtures	2021	EI	
222	3474	Guidance for life extension of unbonded flexible pipe systems	2021	EI	
223	3475	Guidance for the management of mooring integrity part 1 chain systems and their components	2021	EI	
224	3476	Guidance on the application of Wind Turbine Safety Rules	2021	EI	
225	HM 5	Guidelines for analytical results verification	2021	EI	
226	3552	Guidelines for the integrity management of offshore platform conductors	2021	EI	
227	HM 21	Calculation procedures for static and dynamic measurement of light hydrocarbon liquids LNG LPG ethylene propylene and butadienes	2021	EI	
228	HM 31	Guide to hydrocarbon management in petroleum refinery operations	2021	EI	
229	HM 32	Guide to hydrocarbon management at petroleum product marketing and distribution terminals	2021	EI	
230	HM 25	Guidelines for the assessment of uncertainty in the oil and gas industry	2021	EI	
231	HM 95	Guidelines for marine petroleum cargo superintendents	2021	EI	
232	HM 71	Oil field produced water metering and analysis offshore UK waters	2021	EI	
233	HM 75	A guide to uncertainty of measurement in the oil and gas industry	2021	EI	
234	HM 79	Shore tank handbook. Tank design and ancilliary equipment relating to measurement and sampling of hydrocarbon liquids in shore tanks	2021	EI	
235	HM 63	Independent inspection company auditing Pre-audit information	2021	EI	
236	HM 59	Guidelines for the cleaning of rail tank cars carrying petroleum and refined products	2020	EI	
237	HM 67	Guidelines for the introduction of chemical additives and dyes to petroleum cargoes on board ship	2020	EI	
238	HM 68	Procedures for bulk liquid fatty acid methyl esters FAME and blended biodiesel cargo inspections	2020	EI	
239	HM 69	Procedures for determining H2S concentration in cargo tank head spaces	2020	EI	
240	HM 86	Guidelines for measurement of crude oil loaded at offshore installations	2020	EI	
241	HM 92	Model sampling plans for crude oil and liquid hydrocarbon products	2020	EI	
242	HM 93	A guide to manual sampling of hydrocarbon liquids	2020	EI	
243	HSE 001	Making compliance easier formerly Managing rule breaking	2020	EI	
244	HM 28	Procedures for crude oil cargo inspections	2020	EI	
245	HM 39	A guide to recommended measurement practice for compliance with the requirements of HMRC Notice 179	2020	EI	
246	HM 9	Guidelines for selection and installation of meters on road rail petroleum loading gantries	2020	EI	
247	HM 11	Code of practice for the proving of metering systems on road rail petroleum loading gantries	2020	EI	
248	3430	Guidance on fire combustible gas and toxic gas detection system development	2020	EI	
249	3431	Guidelines for the management of access fittings for pressurised systems	2020	EI	
250	3433	SafetyOn Onshore Emergency Response. Good practice guidelines for onshore wind energy developments	2020	EI	
251	3434	Battery storage guidance note 3 Design construction and maintenance	2020	EI	
252	3435	Data tables for hydrocarbon leak incidents in the UKCS 1992-2017	2020	EI
